Thoes are very interesting

They are really very helpful to build up our personalities

It is very good to inform sliit students more about the clubs

Allow students to get more information on these clubs.

Let the students know more on these clubs rather than having more clubs

Hhhh

Interesting 😊

DISCOVERIES

Quick Facts

- ▶ Most popular club is Leo club.
- ▶ Most like to join Rotaract club which is 2nd in popularity.
- ▶ Improve personal skills is the most popular reason to join to a club.
- ▶ Not having enough time is the most popular reason that not to join to a club.

Quick Facts Continued...

- ▶ Only very few clubs are popular among 1st year students such as Leo Club, Rotaract Club and Art Circle.
- ▶ But we think that through a this kind of research we can encourage students to join more clubs.

Recommendations

- ▶ Students should manage their time. Through the time management, we can do extra activities such as join to a club.
- ▶ We can do a event like SLIIT's Open Day in a week day. So students can get more aware about SLIIT's clubs.

THANK YOU!
